2 PM: Annual meeting in Best room 229
5:30 PM: Arrive for Dinner at
The Mill District
6770E. 750 N
Fremont, IN 46737

"E"

Hello! My name is John Rodriguez and I am the current Chapter "E". I'm a third year dual major in Psychology and Criminal Justice with a minor in Forensic Psychology. Before this I've been the Social Chair, Steward, Chaplain and Mental Health chair. Along with being the "E" I'm also our current PR chair and serve as Risk Management on the IFC Executive Board. With what free time I do have I write and listen to music, play a few games, but mostly I spend it with current actives and our new associate members.

As we move forward I plan to contact as many of you as I can! I'm hoping to start a scrap book of stories. We all have a story that's worth telling so I want a chance for you guys to tell us a meaningful story, a fond memory, or something you feel important that the chapter should know and learn from. I know I'm excited for alumni weekend that's coming up being the first in person one not only me, but all of the actives as well! I could go on and on, but that's enough from me let's see what everyone else is doing.

ITB, John Rodriguez #626 contact (317) 515-9134 jjrodriguez19@my.trine.edu

Fundraising

Hi, I'm Matthew Ash, the Fundraising Chair for Tri-State Delta Chi. Here recently, my committee and I have been designing events that are small and effective events considering we had a 24 hour live stream that made over \$1,200 and a car smash that is projected to raise even more that the live stream all coming up in the next few months. We've been brainstorming for this semester, inside and out, next month we are planning on a NCAA bracket challenge and later this semester we are planning on doing a dodge ball tournament. Currently we are doing a band sale for a dollar each band and this normally raises a few hundred dollars. We have a bunch of plans in mind and we are excited for what the future has to come.

ITB, Matthew Ash #645

Entertainment

Hello, my name is Matthew Ash and I am our entertainment chair, also known as Greek relations and social chair. My job within the fraternity is to set up mixers and parties and do them as safely as possible. Our last social event had a large turnout and a long waiting list making it a resounding success. I am trying to implement the philosophy that you can be known as people that are good at partying and yet can do it carefully and responsibly. We still hold our brothers to the 4 pillars of Delta Chi and strive to be better men while doing it. I have held a mixer with every sorority and co-hosted a party with one as well. We are in EXCELLENT standing with our surrounding fraternities while still being on great standing with the school and in my opinion you couldn't ask for anything more than that.

"A"

Hello Brothers, my name is Jonathan Stockwell and I am our chapter's current "A". I am a junior majoring in mechanical engineering in my fifth semester of classes. I am also the president of Trine's chapter of the American Society of Mechanical Engineers, involved in multiple bands, and a member in various other clubs on campus. Before becoming "A", I had held the positions of Groundskeeper, AMC, and "B".

Becoming the chapter's "A" is one of the biggest accomplishments so far in my life and I'd like to thank every brother that has helped me out along my journey as a part of the Brotherhood of a Lifetime. So far this semester, I have spent many hours working with the University and ABT members to promote our brotherhood to the university students and re-engaging with alumni that we have lost close connections to since the beginning of the pandemic.

As many may know, recruitment took the largest hit of any area in our household in the past two years but I am happy to announce that we have pinned a class of 9 Associate Members and have drastically increased the size of our Potential New Member list. Two goals we had going into the semester were becoming a more inclusive environment and to bolster our image on campus. I believe our image on campus has never been better than it is now but will continue to work on it. Please consider attending Alumni Weekend this April (the first in-person Alumni Weekend in three years!). All of the actives would love to meet any and all of you that we haven't had the opportunity to connect with and reconnect with all of the alumni that we haven't seen recently. Please come with questions, stories, and be ready for a good time. Please feel free to contact me at any time with any questions on how the chapter is doing or if you have a story you'd like to have passed on!

ITB, Johnathan Stockwell #637 contact: (269) 921-1086

Philanthropy

Hi, I'm Dane Budke, the current Phil chair. I am a Biology Major working toward a Medical Doctorate. Before being the Phil chair, I was House Manager, Entertainment, and am currently Chaplain as I was last semester. I am also involved with Beta Beta Beta Biology honors society, the American Chemical Society, and Order of Omega. I like to spend what little free time I have, cooking or hanging out with the brothers. This semester and next I have set a goal of 300 service hours total. Although this goal is low, it is a good start to move into next semester as there are no big events planned this spring. I hope to work with the Steuben County Humane Society, and organize our trip to camp Arcadia next Fall. I also hope to work with Cedar Point over the summer.

ITB, Dane Budke #630

Recruitment

Hello my name is Talon Gobel. The main focus for Recruitment this semester is to express the ideas of an inclusive, respectful, and professional Brotherhood. We want to focus on the safety of our brotherhood and the events that we have here on campus. Our absolute most important focus is making solid connections. Be a friend that is a Delta Chi, not a Delta Chi that is my friend.
ITB,
Talon Gobel #646

Brotherhood of a Lifetime

Brotherhood

Hello, My name is Nathan J. Widman. I am this semester's brotherhood chairman. This semester, the goal is to create a more interpersonal brotherhood and have events that help bring us all together and create the bonds that show what it means to be part of the brotherhood of a lifetime. Smaller events like whole fraternity dinners or random group outings are the focus instead of bigger events. I want to make the brotherhood chair be more interdisciplinary and reach into other chairs like houseman and grounds. By collaborating with other chairs, we can plan fun events that also go into taking care of the general health of the house.

ITB, Nathan Widman #651

Associate Member Counselor

Hello Brothers, my name is Aaron Gray, and I am a Junior Business Administration student, pursuing my MBA concurrently with my undergrad. I was a member of the Spring 2021 class. Within my short time as a brother I have held the positions of Brotherhood, Sports, and now AMC. I am also involved with TSMA, which is the Trine Student Marketing Association, where I serve as the Secretary for that organization. This Associate Member Class will be the first to undergo the New Associate Member Program being rolled out by IHQ (these programs are outlined on IHQ's website underneath the Associate Member Program Tab). Associate Members will still learn the function of the day to day through continuing to host AM events. As a chapter we are continuing to adapt and stay up to date as we change with the times, while holding onto the traditions that we hold so dear to our hearts. We have pinned 9 Associate Members that represent our four pillars and will bring a lot of new ideas and perspectives that will come to better our brotherhood as they grow through their time here.

ITB, Aaron Gray #644

Associate Members

Ethan Bowers-AM "A"
Rowen Prather-AM "B"
Ali Salim-AM "C"
Jack Lehner-AM "D"
Nathan Leap-AM "E"

Reese Greene- AM "F"
Mykah Garrison- AM Recruitment
Andrew Captain-AM Entertainment
Will Holle-AM Houseman

Brother Spotlight

Hello, my name is Cole Sullivan I am a senior DET with a minor in Plastics engineering and I am from the Indianapolis area. The positions that I have held in the house as a brother include Philanthropy Chair, Assistant Philanthropy chair, Fundraising Chair, AMC Assistant, Chaplin x2, Steward, and Risk Management. I have also had two positions on IFC which were Risk Management and Social Chair. Once I graduate, I plan on moving back to the Indy area to hopefully get a job as a product design engineer.

ITB,
Cole Sullivan #615

Alumni Spotlight

Matt Stezowski joined Delta Chi in the Spring of '16. He graduated from Trine in the Spring of '18 with his Bachelor's Degree in Business Management and earned his MBA in the Fall of '18. Currently, he runs a business as a Real Estate Broker in Northeast Indiana covering Steuben, LaGrange, Noble, Dekalb, and Allen County. He currently serves on ABT as the Recruitment Chair and also serves on the Northeast Indiana Association of Realtors Board of Directors. August 2021 he was married to his sweetheart Shantell and is expecting their first child this year in September 2022.

During his time as a brother, Matt served in positions, such as the "B" and the Assistant "F". He feels that he wouldn't be the man he is today without Delta Chi. His time with the fraternity as an Active helped him create everlasting bonds with his fellow brothers and develop the skills and traits to become a leader in his career. "I would do it all over again in a heartbeat, and I am proud to still be involved and to serve my fraternity through ABT" - Matt.
